

**Alberta elks foundation**

**41<sup>st</sup> Raffle Report**

**Worthy Brother Chairman  
Brother & Sister Elks  
Members of the Royal Purple:**

**This is my Interim report:**

|  |                  |                   |
|--|------------------|-------------------|
| <b>Number of Books sent out</b>        | <b>—————6713</b> | <b>Percentage</b> |
| <b>Number of books sold to Date</b>    | <b>—————4670</b> | <b>70%</b>        |
| <b>Number of books returned unsold</b> | <b>—————389</b>  | <b>sold</b>       |

**Brother & Sisters : some of your Lodges may not be aware that our Final Draw is not until Sept. 26,2009 and therefore are sending back unsold books. At this stage in the Raffle 389 unsold books have been returned. This is not good. I urge you therefore to go back to your Lodges and see if they will not try to sell some more tickets during the summer. Having said this However! PLEASE DO NOT LOSE TRACK OF YOUR TICKETS during the summer recess. I have brought extra tickets for those Lodges that want them.**

**Our Winners to Date are as follow:**

**1<sup>st</sup> Early Bird Russ Jemniff Of Olds  
2<sup>nd</sup> Early Bird Joan Rogers Of Brooks  
3<sup>d</sup> Early Bird Jason Poole Bow Island**

**In closing I would like to say that this job has been quite an experience for me .But unfortunately due to Personal reasons I will not be able to do it next year.**

**I would like to Thank Brother Ed Heck for all his help this past year and also Lady Gerri Nunn for her help ,even though she had struggles of her own. She was always there to offer and helped with the draws.**

**Respectfully  
Submitted**

**Arnout Seenhart  
Raffle Chairman**

## Float Report June /09

### Brothers and Sisters:

This is starting out as another busy year for the Foundation Float. So far, we have fifteen visits that stretch from one end of this province to the other. We have had some new volunteers step forward to help with your float. It has taken a lot of work off us to have Don Rush handle the bookings and collect the money.

The float and truck have gone through the annual mechanical inspection with no major problems showing up. Two jacks were purchased--one for the truck and a taller one for the float. We were always borrowing one from a Brother. The solar chargers did the trick for keeping the batteries up over the winter--a cheap fix for an ongoing problem.

We are looking at a few small changes for this year to try to keep the budget within reason. When applying for the float, keep in mind that these Brothers and Sisters are volunteering their precious summer time. There has been some major discussions about some of the accommodations we have stayed in. Also remember when we come to your parade we need help to set the float up and more to take it down and get ready to travel down the road.
